

Saxmundham Sports Tennis Club
Membership Report 2021-2022

Number of Members
as at February 2022

	<u>2022</u>	<u>2021</u>	<u>2020</u>
Total	201	174	154
Adults	84	82	62
Senior	40	36	48
Junior	75	56	44

It is gratifying to see that our membership has continued to increase in all categories but especially in the juniors.

We must thank Matt for most of the increases and all members for making this such a friendly club that people want to join.

The above numbers include those who joined as family members, which does reduce the cost compared to individual membership.

Membership fees for 2021-2022 were as follows (the same as 2019).

Adult	£80.00
Senior	£70.00
Junior	£10.00
Family	£130.00
Visiting Adult	£55
Visiting Family	£75

Family membership was deliberately made at less than two adults to encourage a, perhaps reluctant, other half to join.

It is difficult to know if this has been the case but some couples in the adult and senior section (without children) have joined as a family as it is cheaper. Technically this is legitimate.

We do need to look at our membership rates/categories this AGM (as we promised at the last AGM).

Jill Sedge
Membership Secretary
